Harvest Now
Agenda

Statement of Purpose

These are unprecedented times! During the past decade, the world has experienced political upheaval, catastrophic occurrences, pandemic, significant shifts in values, exponential technological developments, massive migration, and volatile economic trends. Throughout all of the global societal contractions, the Church of God has maintained its razor-sharp focus on fulfilling the Great Commission. Together, the Church of God affirmed its doctrinal beliefs, actualized its overarching vision as a movement, assimilated and mobilized an army of ministers and leaders to march into the harvest, and aggressively accelerated our efforts to finish the Great Commission.

The International General Assembly is that organized body with full power and authority to designate the teachings, government, principles, and practices of all local churches. It is composed of all ministers and members of the Church of God, sixteen years of age and over, who are present and registered. During the Assembly, there are business sessions, elections, agenda items, exhibits, special activities, worship, and fellowship.

We gather here in Indianapolis for the 79th International General Assembly focused upon *Harvest Now*! As we fix our attention with intensity, let us continue to commission a global missional force as a synergistic, compelling, visional, and united cohesive body of Pentecostal believers. We acknowledge the challenge, accept the commitment, and anticipate the completion of the Great Commission Harvest—NOW!

24 *Christians who live among unreached people groups*

2. MINISTRY OF EVANGELISM

RATIONALE:

Since its birth in 1886, the Church of God movement has grown to more than 8.6 million members with a reach around the globe of approximately 191 nations and regions. Throughout its history, the thread of evangelism permeates Church of God polity alluded to in the *Statement of Vision*, *Scriptural Principles for Ministry*, *Commitments to Our Mission and Vision*, *Resolutions*, and more. The Church of God has witnessed compelling continual growth and revival for 138 years with a passion to realize the Great Commission through the driving force of evangelism.

During the past two decades, the operational paradigm of evangelism as a department transitioned into several autonomous ministry areas. While each of these ministry areas has been effective, this model limited ministry resources and outcomes. The future of the Church of God calls for a renewed Great Commission evangelism commitment, maximizing evangelism resources, rethinking operational paradigms, reframing structural implementation for evangelism, advancing multiplication systems, revitalization principles, and empowering evangelism for mission and vision impact.

The 79th International General Assembly has the opportunity to set the trajectory for Great Commission completion embracing the inauguration of the "Ministry of Evangelism" augmenting the Church of God evangelism mission and vision as an intensive and focused operational paradigm with elected leadership. This coordinated ministry will concentrate on the comprehensive spectrum of general evangelism strategies and initiatives, expanding evangelism resources, soul winning, personal evangelism, church planting, church health and revitalization, revivalist and evangelist ministry, and global/national connectivity—literally every facet of evangelism ministry.

Evangelism is not just a program; it is a process, an obligation, and divine directive to fulfill the Great Commission. The command of Christ is clear: it is a mandate for the future. As a twenty-first century church with a first century message, the Church of God must affirm the commission to "go" into all the world today and every tomorrow.

as Father, Son, and Holy Spirit. We encourage Church of God members and constituents to preserve marriage as a sacred union between man and woman living lives that model commitment to the Word of God, exemplify devotion to moral purity, and celebrate family responsibility (Gen. 2:19-24).

- *That God created man and woman as complements to each other, and as a result, same-gender sexual relationships, including same-sex marriage, do not agree with God's intention for procreation sexuality. The New Testament church clearly affirmed marriage as being a covenant relationship between a man and a woman, and of the family comprised of a father, a mother, and children (Eph. 5:21-6:4; Col. 3:18-21).*

- *That divinely ordained differences between male and female reflect God's creative design and give personal identity and dignity to male and female. According to a Biblical portrait, male and female are fixed bodily realities (Gen. 5:2; Matt. 19:4).*

- *That the Church of God's belief in God's perfect design for human sexuality and adopting a self-conception with any sexual orientation or gender identity is contrary to God's holy purposes in creation and redemption as revealed in Scripture. "Transgender" is an umbrella term for those whose gender expression or identity is not congruent with the sex assigned at birth. A person's gender (male or female) is unambiguously identifiable at birth and there is no rational or compassionate reason to affirm a distorted self-concept that one's gender identity differs from his/her creational biological gender.*

- *That approval of homosexual marriage,*

63 *polygamous and/or polyamorous relationships,*
64 *or transgenderism is sinful and such approval*
65 *constitutes an essential departure from scripture,*
66 *Christian doctrine, faithfulness, and witness*
67 *(Rom. 1:25-32).*
68 • *That God's revealed will for all people is chastity*
69 *outside of marriage and fidelity within marriage;*
70 *and any affections, desires, or commitments*
71 *of copulation outside the bonds of marriage*
72 *constitute sexual immorality (Matt. 19:4-6; Mark*
73 *10:6-9).*
74 • *That the Church of God subscribes to Christ's*
75 *commandment reflecting the message of His love*
76 *for all people (John 3:16-17; Matt. 22:37-39; Mark*
77 *12:30-31).*
78 • *That Church of God clergy, laity, and*
79 *congregations recognize the reality of sexual*
80 *and gender confusion as an issue that should be*
81 *treated compassionately and professionally and*
82 *take care to offer or seek competent counsel for*
83 *those who experience such confusion.*
84 • *That we accept our responsibility to share*
85 *redemptive grace through Christ transforming*
86 *individuals from sexual bondage, brokenness,*
87 *and deception bringing spiritual, mental, and*
88 *emotional freedom.*

89 *We Commit...*
90 *That all Church of God leaders, ministers, teachers,*
91 *employees, and volunteers shall not be employed by*
92 *or regularly attend LGBTQIA+ affirming or affiliated*
93 *churches or religious organizations, subject to*
94 *appropriate polity action.*

S31. OFFENDING MINISTERS

I. Ministerial Discipline (63rd A., 1990, pp. 70-75)

B. Trial Procedures

2. Selection of Trial Board

The state overseer shall appoint all trial boards.

c. The trial board should consist of not less than three (3) ordained bishops.

5. FEMALE MINISTERS ON ECCLESIASTICAL TRIAL BOARDS

RATIONALE:

Over the past several decades, the Church of God has been blessed with exponential growth in membership, including a large growth in the number of women members in our congregations, as well as a significant increase in the number of women in our ministerial ranks. Therefore, when the state overseer deems such to be prudent and appropriate for a fair trial, ordained women ministers should be included as members of ecclesiastical trial boards.

The *Minutes* do not currently allow women to serve on a trial board, often creating a lack of adequate input from a female's perspective as to insights, behavior, and perception. This lack of input may lead to less than a healthy and thoughtful decision by the trial board, especially in cases where women are involved.

We recommend:

That we amend page 123, S31. OFFENDING MINISTERS, I. Ministerial Discipline, B. Trial Procedures, 2. Selection of Trial Board, item c, by inserting:

1 **"*and where the state overseer deems such to be prudent*
2 *and appropriate, he may also appoint not less than two*
3 *(2) ordained female ministers, each with more than seven*
4 *(7) years of active credentialed ministerial service in the*
5 *Church of God*" following "ordained bishops."**

So as to read:

S29. INSTRUCTIONS FOR MINISTERS

(68th A., 2000, p. 77; 71st A., 2006, pp. 47, 48)

I. GENERAL INSTRUCTIONS FOR MINISTERS

9. In order for any minister to be considered eligible for election or appointment by the International Executive Committee, General Council or General Assembly, the minister must be current on both personal ministerial reports and the local church reports with required finances from the church he/she pastors (if applicable). Any exceptions must be approved by the International Executive Committee. Further, this same measure applies to state/regional positions and boards. Any exception at the state/regional level must be approved by the state/regional overseer in writing (73rd A., 2010).

INSTRUCTIONS FOR MINISTERS

We recommend:

That we amend page 112, S29. INSTRUCTIONS FOR MINISTERS, I. General Instructions for Ministers, 9. by inserting the following:

1 *In addition, that all Church of God credentialed ministers*
2 *shall affirm their doctrinal fidelity to the Declaration of*
3 *Faith as an expression of Church of God doctrine. This*
4 *Declaration of Faith affirmation shall be submitted*
5 *biennially with the September ministerial report.*

So as to read:

9. In order for any minister to be considered eligible for election or appointment by the International Executive Committee, General Council or General Assembly, the minister must be current on both personal ministerial reports and the local church reports with required finances from the church he/she pastors (if applicable).

Any exceptions must be approved by the International Executive Committee. Further, this same measure applies to state/regional positions and boards. Any exception at the state/regional level must be approved by the state/regional overseer in writing.

In addition, that all Church of God credentialed ministers shall affirm their doctrinal fidelity to the Declaration of Faith as an expression of Church of God doctrine. This Declaration of Faith affirmation shall be submitted biennially with the September ministerial report.

S32. STATE OVERSEERS (Administrative Bishops, see (60th A., 1984, pp. 42, 43; 73rd A., 2010, 75th A., 2014)

II. QUALIFICATIONS

6. The state overseer shall have served as the senior/lead pastor of a local church congregation for a minimum of five (5) years, or after having been elected to an International Office or Position in the Church of God. (Anyone under appointment as an Administrative Bishop, or as a Youth and Discipleship director, as of the 2018 General Assembly, shall be exempt from this requirement) (77th A., 2018).

8. QUALIFICATIONS FOR STATE OVERSEERS

RATIONALE:

It is critical to the Church of God that we affirm the calling of young ministers who feel a desire to move into administrative ministry. Often an entry level state Youth and Discipleship director position requires that the minister serve as pastor of a local congregation while also fulfilling the role of state Youth and Discipleship director for a 4-year tenure. By changing the qualification from 5 years to 4 years, it becomes more congruent with our own system. This change will allow one to gain valuable pastoral experience and also provide an opportunity for the minister to advance into the role of state overseer.

We recommend:

That we amend page 131, S32. STATE OVERSEERS, II. QUALIFICATIONS, 6., by striking "*five (5)*" and inserting "*four (4)*".

So as to read:

The state overseer shall have served as the senior/lead pastor of a local church congregation for a minimum of *four (4)* years, or after having been elected to an International office or position in the Church of God. (Anyone under appointment as an Administrative Bishop, or as a Youth and Discipleship director, as of the 2018 General Assembly, shall be exempt from this requirement.)

S32. STATE OVERSEERS (Administrative Bishops, see p. 103.) (60th A., 1984, pp. 42, 43; 73rd A., 2010, 75th A., 2014)

VII. DUTIES AND AUTHORITIES (25th A., 1930, p. 21; 28th A., 1933, p. 43; 39th A., 1944, p. 23; 41st A., 1946, p. 26; 42nd A., 1948, pp. 28-30; 44th A., 1952, p. 35; 78th A., 2022)

11. Appoint any officer in a local church, Family Training Hour and/or YPE, Sunday school, or Women's [Discipleship] Ministries, when necessary.

9. STATE OVERSEERS–DUTIES AND AUTHORITIES

RATIONALE:

The recommendation is offered to bring the *Minutes* into conformity with current nomenclature and to eliminate the need for further modifications should new terms, names, ministries, etc., be developed.

We recommend:

That we amend page 133, S32, STATE OVERSEERS, VII. Duties and Authorities, by striking paragraph 11, and inserting the following:

1 *Appoint or remove any officer in a local church, when*
2 *necessary.*

So as to read:

11. Appoint or remove any officer in a local church, when necessary.

S22. ORDAINED BISHOP (68th A., 2000, pp. 80, 81; 71st A., 2006, p. 47)

II. Qualifications of Ordained Bishops

2. An applicant for ordination as bishop may be ordained when he is twenty-five (25) years of age, provided he has had at least eight (8) years of active ministry, or he has three (3) years of active ministry accompanied by a ministry-related degree or its equivalency from an accredited institution or one certified by the Church of God Division of Education, or when he is thirty (30) years of age, provided he has had at least five (5) years of active ministry, if he is otherwise qualified. In those cases in which a ministerial applicant has had verifiable active ministerial experience prior to receiving credentials, exceptions to the age qualifications can be made upon recommendation by the ministerial applicant's administrative bishop and with the approval of the Executive Council (72nd A., 2008; 76th A., 2016, pp.183-84).

10. QUALIFICATIONS OF ORDAINED BISHOPS–ACTIVE MINISTRY

RATIONALE:

The purpose of this amendment is to define the phrase "active ministry," as it relates to the qualifications of those seeking to become Ordained Bishops.

We recommend:

That we amend page 104, S22. ORDAINED BISHOP, II. Qualifications of Ordained Bishops, item 2, by adding the following as a final parenthetical sentence:

1 *(For this item, "active ministry" shall be defined as the*
2 *number of years one has held ministerial credentials.)*

So as to read:

2. An applicant for ordination as bishop may be ordained when he is twenty-five (25) years of age, provided he has had at least eight (8) years of active ministry, or he has three (3) years of active ministry accompanied by a ministry-related degree or its equivalency from an accredited institution or one certified by the Church of God Division of Education, or when he is thirty (30) years of age, provided he has had at least five (5) years of active ministry, if he is otherwise qualified. In those cases in which a ministerial applicant has had verifiable active ministerial experience prior to receiving credentials, exceptions to the age qualifications can be made upon recommendation by the ministerial applicant's administrative bishop and with the approval of the Executive Council. *(For this item, "active ministry" shall be defined as the number of years one has held ministerial credentials.)*

S48. MEMBERS

IV. REQUIREMENTS OF MEMBERS

A. Exclusion for Nonattendance

Members should be excluded from the Church of God for nonattendance of the regular services of the church of which they are members, unless they have a good reason. Notice the question is only for continued nonattendance; this doesn't mean just for a few times missing service (20th A., 1925, p. 41).

B. Stand Against Gambling

Inasmuch as the Church of God believes gambling to be contrary to Christian principle and practice; and

Inasmuch as there has been a tendency to compromise among some states and churches, teaching that state lotteries, bingo games, games of chance, and so forth, are not contrary to present Christian moral standards; therefore

The Church of God continues its stated opposition to the evils of gambling and urges its people to exhibit by precept and example its belief in the high standards of holiness conduct required of all believers (50th A., 1964, p. 55).

C. Holy Living and Modesty

"Love not the world, neither the things that are in the world. If any man love the world, the love of the Father is not in him. For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world" (1 John 2:15, 16).

"In like manner also, that women adorn themselves in modest apparel, with shamefacedness and sobriety not with broided hair, or gold, or pearls, or costly array" (1 Timothy 2:9).

"Whose adorning let it not be that outward adorning of plaiting the hair, and of wearing of gold, or of putting on of apparel; but let it be the hidden man of the heart, in that which is not corruptible, even the ornament of a meek and quiet spirit, which is in the sight of God of great price" (1 Peter 3:3, 4) (35th A., 1940, p. 31; 66th A., 1996, p. 61).

11. RESPONSIBLE USE OF SOCIAL MEDIA/ DIGITAL PLATFORMS

RATIONALE:

Throughout our history, the Church of God has always promoted a lifestyle of biblical holiness in its ministers and members, in word as well as in deed. In the digital age in which we find ourselves, the need for biblical holiness has not diminished. It may be more important now than ever.

The ever-increasing use of social media and digital platforms gives Christ's followers new venues for sharing the Good News with a lost and hurting world. Every method possible should be utilized for the spreading of the Gospel to the lost and the edification of fellow believers.

In our use of social media and digital platforms, we must always be mindful of the Savior in whose name we digitally speak. This item is intended to remind Church of God ministers and members of our mutual responsibilities to one another and to the world around us as we use these various platforms.

We recommend:

1) **That we amend page 147, S48. MEMBERS, IV. Requirements of Members, by adding the following as item:**

1 *D.   Christian Use of Social Media and Digital Platforms*

2 *As Christ's disciples, we are to manifest His love to*
3 *others (John 13:35). We are to make Christ known*
4 *by both our actions and our words (1 John 3:18).*

8   Jesus than ever before in history. Christians should
9   prayerfully engage the world, using all means
10   available, to spread the gospel.

11   In using social media and digital platforms, Christians
12   should always speak the truth in love (Eph. 4:15) and
13   do all things for the edification of others (Rom. 15:2).
14   We should always be respectful when disagreeing
15   with the opinions of others. We should never be harsh
16   nor demeaning in our words, so that our comments
17   become personal attacks (Phil. 2:14-15). We should
18   seek to use Godly wisdom so that our comments may
19   be described as "first pure, then peaceable, gentle,
20   willing to yield, full of mercy and good fruits, without
21   partiality and without hypocrisy" (James 3:17).

S29. INSTRUCTIONS FOR MINISTERS

(68th A., 2000, p. 77; 71st A., 2006, pp. 47, 48)

I. GENERAL INSTRUCTIONS FOR MINISTERS

or moral quandaries in this temporal world without being consumed by or conformed to them. We will not shrink from declaring truth in all areas addressed by Scripture. Further, we believe that it is our responsibility as a church to proactively prepare our ministers and members to navigate life from a Christian perspective and through the lens of a biblical worldview. In all matters, it is expected that Church of God ministers and members will live first as biblical Christians, weighing all other ideologies, alliances, and opinions against the truth found in Scripture and the doctrine of the Church of God.

We Commit...

- *To learn how "to contend earnestly for the faith which was once for all delivered to the saints" (Jude 1:3) so Christians can respond to and engage the culture with the Gospel.*
- *To teach our congregations how to think biblically and to discern the difference between a secular and biblical worldview.*
- *To resource and equip our ministers and their congregations to be prepared to make an apologetic defense against objections and provide answers for questions regarding a biblical worldview (1 Pet. 3:15).*
- *To increase our cultural intelligence to understand secular world views and courageously respond correctly and respectfully to culture.*
- *To promote that all Christians can persevere with sound orthodoxy and cultural intelligence and live like the sons of Issachar in ancient Israel "who had understanding of the times, to know what Israel ought to do" (1 Chron. 12:32).*

13. Priesthood of All Believers

We recommend:

That we adopt the following to be inserted in the General Assembly Minutes.

1   *PRIESTHOOD OF ALL BELIEVERS*

2 *We Believe …*

3   *In the priesthood of all believers, which means*
4   *that all Christians, through Jesus Christ and by the*
5   *Holy Spirit, have equal privilege and responsibility*
6   *to approach God and to serve God without the need*
7   *for another human mediator (Heb. 4:16; 1 Tim.*
8   *2:5). God's desire and promise that His people*
9   *should be "a kingdom of priests and a holy nation"*
10   *(Ex. 19:6) is fulfilled in His creation of the Church. In*
11   *the New Testament, the word "priest" never refers*
12   *to clergy office; instead, it applies to every believer*
13   *in Jesus Christ. The Church is "a royal priesthood"*
14   *(1 Pet. 2:9), "kings and priests to His God and Father"*
15   *(Rev. 1:6). All believers are "priests of God and of*
16   *Christ" (Rev. 20:6). The fact that every believer has*
17   *access to God does not negate the value of the Church*
18   *or of the church's leaders, because the Church is the*
19   *Body of Christ, which manifests His presence (Matt.*

EXPLANATORY NOTES

II. ORDINANCES OF THE CHURCH

B. Lord's Supper (Communion) and Feet Washing

The subject of Communion and Feet Washing was considered and the Assembly decided that both are taught in the New Testament and may be engaged in at the same service or at different times at the option of the local churches. In order to preserve the unity of the body, and to obey the sacred Word, it was recommended that every member engage in these sacred services, which should be observed one or more times each year (1st A., 1906, Bk. M., p. 15; DF 12).

14. ORDINANCES OF THE CHURCH

RATIONALE:

The Church of God has always provided "open" ordinances for believers according to our theology, doctrine, and polity. As it reads in the *Minutes* now, participation in these ordinances is limited to "members," excluding born-again believers under the age of 16 and/or believers who may attend regularly but are not currently members of the Church of God. The heartbeat of this motion is to broaden participation in the ordinances of the church and one's theology of their walk with God.

We recommend:

That we amend page 32, PRACTICAL COMMITMENTS, EXPLANATORY NOTES, II. ORDINANCES OF THE CHURCH, B. Lord's Supper (Communion) and Feet Washing by inserting the words:

[1]**"*and other Christian believers*."**

So as to read:

The subject of Communion and Feet Washing was considered, and the Assembly decided that both are taught in the New Testament and may be engaged in at the same service or at different times at the option of the local churches. In order to preserve the unity of the body, and to obey the sacred Word, it was recommended that every member ***and other Christian believers*** engage in these sacred services, which should be observed one or more times each year.

S30. DISORDERLY MINISTERS [MINISTERIAL DISCIPLINE]

(68th A., 2000, pp. 72-77; 71st A., 2006, pp. 47, 48; [IE Council: January 2006])

III. DISORDERLY CONDUCT

A. Explicit Heterosexual Misconduct

1. Any minister found guilty of adultery, fornication, or other sexually explicit heterosexual misconduct shall have his/her ministerial credentials suspended/revoked for a minimum period of two years. Should said minister desire reinstatement of credentials, he/she shall submit to the prescribed program of restoration through the office of the Center for Ministerial Care (75th A., 2014).

2. At the discretion of the state/territorial overseer and state/territorial council, the minister may be allowed to engage in limited, supervised ministerial activity during the second year of the disciplinary period.

3. At the conclusion of the two-year period, upon successful completion of the restoration program, and with the recommendation of the state/territorial overseer, the International Executive Council shall make a decision concerning the reinstatement of credentials and at what level. (See **S5. International Executive Council, III. Duties and Authorities,** Item 11.)

4. Any minister found guilty of sexual abuse of a child or a second offense involving adultery, fornication, or any other sexual misconduct, or any combination of these offenses, shall have his/her credentials permanently revoked. He/she must be disfellowshipped from the church. However, the opportunity for reconciliation and restoration to church membership shall be given future consideration in appropriate cases (72nd A., 2008).

15. SEXUAL ABUSE OF A CHILD/SEXUAL EXPLOITATION OF A MINOR

RATIONALE:

These measures address those instances involving sexual abuse or sexual exploitation of a minor by a minister or member.

We recommend:

1) **That we amend page 117, S30. DISORDERLY MINISTERS [MINISTERIAL DISCIPLINE], III. DISORDERLY CONDUCT, A. Explicit Heterosexual Misconduct, by adding item 5.**

III. DISORDERLY CONDUCT

A. Explicit Heterosexual Misconduct

4. Any minister found guilty of sexual abuse of a child or a second offense involving adultery, fornication, or any other sexual misconduct, or any combination of these offenses, shall have his/her credentials permanently revoked. He/she must be disfellowshipped from the church. However, the opportunity for reconciliation and restoration to church membership shall be given future consideration in appropriate cases (72nd A., 2008).

We recommend:

2) That we amend page 117, S30. DISORDERLY MINISTERS [MINISTERIAL DISCIPLINE], III. DISORDERLY CONDUCT, A. Explicit Heterosexual Misconduct, item 4, by striking "~~*sexual abuse of a child or*~~."

So as to read:

4. Any minister found guilty of a second offense involving adultery, fornication, or any other sexual misconduct, or any combination of these offenses, shall have his/her credentials permanently revoked. He/she must be disfellowshipped from the church. However, the opportunity for reconciliation and restoration to church membership shall be given future consideration in appropriate cases.

S49. MEMBERSHIP

V.   PROCEDURE IN DEALING WITH MEMBER

If a member who is not a minister shall be charged with any offense which makes it necessary to deal with the member, formal charges in writing shall be given to the member not less than three days (when practical) prior to the time and place of the meeting. The member shall have a right to be heard and offer corroborating testimony at the meeting. Further, the charges shall be heard and a decision rendered by the local church and pastor's council or (if a church does not have a pastor's council or board of elders) by the members who are present at the meeting and in good standing with the church. Disciplinary options include but are not limited to: official reprimand, restitution, censure, restrictions, and, where necessary, excommunication (74th A., 2012).

In those cases in which he deems it in the best interests of the local church to do so, the state/regional overseer shall have the authority to excommunicate an unruly or uncooperative member without a formal hearing. A member disfellowshipped by a state/regional overseer shall have the right to appeal to the International Executive Committee within 10 days of the written notice of the overseer's action. The decision of the International Executive Committee is final, with no further recourse for appeal by the member. The local church must remove the member's name from the membership roll when notified of the action by the state overseer (71st A., 2006, p. 48).

We recommend:

3) **That we amend page 150, S49. MEMBERSHIP, V. PROCEDURE IN DEALING WITH MEMBER by inserting the following as the second paragraph:**

1   *Any member confessing to or having been convicted*
2   *of sexual abuse of a child or sexual exploitation of a*
3   *minor shall have his/her membership permanently*
4   *revoked from the Church of God.*

Note: **Current second paragraph will become paragraph three.**

S28. MINISTERIAL REPORTING

I. Forms for Monthly Reporting

In keeping with the financial system of the Church of God, it has been decided by the International General Assembly to furnish Report Forms upon request, in triplicate, to all ministers, for reporting to international and state headquarters on the first of each month.

II. Recording of Monthly Reports

The secretary general [his office] shall maintain the following record system for all ministers' reports.

1. Each report shall be recorded monthly on an individual record and summarized annually. A copy of said annual summary shall be placed in each minister's file and a duplicate copy mailed to the minister.

2. A permanent record shall also be maintained and filed in the vault [at International Offices].

3. All reports shall be electronically filed for permanent record before being destroyed.

III. Delinquent Reporting

1. When a minister becomes delinquent in reporting to international and state headquarters as much as three (3) months, he/she shall be urgently admonished by the state overseer of the state where he/she is ministering to bring his/her reports up to date.

2. Further, he/she shall be notified in writing that if he/she fails to report for a period of four (4) months, his/her license will be subject to revocation, after due disciplinary process (55th A., 1974, pp. 56, 57; 77th A., 2018).

16. MINISTERIAL REPORTING–FORMS FOR MONTHLY REPORTING

RATIONALE:

Changes to monthly ministerial reporting procedures have necessitated updates to verbiage in the General Assembly *Minutes*. Currently there is no reference to online reporting, or to exemption from reporting.

We recommend:

That we amend page 110, S28. Ministerial Reporting, by striking items I. and II. and inserting the following. (Item III would then become item II.)

2   *1. Every credentialed minister must report at the*

RATIONALE:

Currently, any amendments to our Bylaws require the proposed motions to be published in two issues of the *Evangel* prior to the opening of the International General Council. As of September 2023, the *Evangel* is published quarterly, making it difficult to fulfill this requirement. This motion seeks to limit publication to at least one issue.

19. The Institute for Leadership Development

RATIONALE:

Ministerial leaders now find themselves facing questions, lifestyles, ideologies, legalities, and personal issues that no other generation has previously faced, along with a torrent of exponential and paralyzing changes. Leadership in this new era, consequently, requires not one new skill, but a collection of skills relevant to the person's specific position and context. As a Pentecostal movement of Spirit-filled believers, we must be intentional about training our ministerial leaders, as well as our laity leaders. To do so, we must provide focused leadership training systems. The development and operation of a "The Institute for Leadership Development" (ILS), is vital for the Church of God to fulfill its commitment to reach a Great Commission harvest.

S9. SECRETARY GENERAL (Executive Bishop, see p. 105.)
(68th A., 2000, pp. 86, 87)

III. PROCEDURE FOR FILLING VACANCY

In the event the office of the secretary general be vacated because of death, disability, advancement, or the incumbent in any wise being disqualified, the general overseer shall submit by the most efficient and effective methods the names of the next two men receiving the highest vote, who were not elected to any general office, to the ordained bishops. The ordained bishops shall select the one who will fill the vacancy in the secretary general's office. Ballots must be returned to the general overseer within forty-five (45) days to be valid votes. The one receiving the majority vote shall be declared elected to fill the unexpired term of the secretary general (39th A., 1944, p. 38; 41st A., 1946, p. 22; [1960]; 50th A., 1964, p. 51, Item 6; 78th A., 2022).

22. Secretary General–Procedure for Filling Vacancy

RATIONALE:

This recommendation is made to facilitate a flow of leadership advancement that is both efficient and equitable. Current nomenclature does not permit the "next two men receiving the highest vote" to be considered if either of them were elected to any other general office.

We recommend:

That we amend page 78, S9. SECRETARY GENERAL, III. Procedure for Filling Vacancy, by striking the words "~~who were not elected to any general office~~."

Church of God 79th International
GENERAL ASSEMBLY

Instructions to Delegates

1. Parliamentary Authority

    a.   The International General Assembly has adopted *Robert's Rules of Order, Newly Revised*, as our parliamentary authority. The latest version is the 12th edition, published in 2020. This is the edition that will be used in the International General Council and the International General Assembly business sessions.

    b.   The International General Assembly has also adopted some self-imposed rules for the manner in which business can be conducted in the International General Council and the International General Assembly business sessions. We cannot violate our own Bylaws. Any motion to suspend the rules and introduce business prior to the completion of the work of the agenda is not allowable because it would impinge upon the bylaws and would amount to an attempt to suspend the Bylaws, which is never allowable. (Bylaws may be amended, but only under circumstances of previous notice.)

    c.   All business will be conducted in an orderly fashion.

2. Seating of Delegates

    a.   Only registered ordained bishops are to be seated in the sections identified for ordained bishops. Credentials must be openly displayed at all times.

    b.   Ordained ministers, exhorters, and laypersons can be seated in any area beyond those designated for the International General Council.

    c.   These business sessions are being video streamed live, with delay, on the Internet. All cell phones, tablets, and any other electronic communication devices should be silenced during the business sessions. **Audio or video recording of the business sessions is not allowed.**

d. All delegates must be registered and displaying credentials to attend business sessions. This includes ordained ministers, exhorters, and laypersons. The registration booth is located in the Main Lobby of the Indianapolis Convention Center.

e. No ordained bishop will be allowed to vote unless his credentials are displayed and he is seated in the designated seating area. If credentials are lost, new ones can be secured from the Registration and Credentials Committee in the registration area in the Main Lobby of the Indianapolis Convention Center.

f. Each member of the International General Council should have received the *International General Council Manual* at registration. The manual contains pertinent materials for International General Council meetings and should be brought to *all business sessions. The agenda has been placed in your packets*. A link for the agenda is available electronically at www.GA24.org.

g. According to the current International General Assembly Bylaws, page 59, S2. Bylaws of the Church of God Article VI. Governing Bodies, I. General Assembly Members: *"The International General Assembly is composed of all members and ministers of the Church of God 16 years of age and above. Members and ministers of the Church of God* **present and registered** *at the International General Assembly shall comprise its voting constituency."*

3. Instructions concerning deportment during business meeting.

a. Regular attendance at all International General Council sessions and the International General Assembly business session is strongly encouraged. The schedule is printed in the manual, on the backside of the ordained bishop's badge, as well as www.GA24.org.

b. There is to be no entering or exiting during voting. The Sergeants-at-Arms have been directed to control the entrances, so no one will be permitted to enter or exit during a vote.

c. The moderator will not entertain any questions from the floor when a vote is being taken. If there is a problem that needs to be addressed, please inform a member of the Sergeants-at-Arms Committee.

4. Use of Motion/Amendment Submission Form

The Motion/Amendment Submission Form is provided in the back of your International General Council Manual and should be used to document in writing extended motions or amendments pertaining to the printed agenda. Please have the form completed prior to making your motion/amendment so as to not delay business if called for by the moderator. Motions/amendments of extensive length or complexity may also be emailed to *gamotions@churchofgod.org*. (Only motions/amendments pertaining to the printed agenda are to be submitted to this email. Non-Agenda item motions should be submitted in writing at the Motions Committee kiosk.)

5. Limitation of Speeches

a. A recording secretary will tabulate the number of speeches made by individuals.

b. A member can speak no longer than ten minutes unless he obtains consent of the assembly (*Robert's Rules* pg. 39). Such permission can be given by unanimous consent, or by means of a motion to Extend the Limits of Debate, which requires a two-thirds vote without debate (*Robert's Rules*, pg. 179–187). Denise Watkins will serve as the official timekeeper and the Secretary General will state "Time" when the time limit has expired.

c. A member is not to speak the second time on the same question in the same day as long as someone else desires the floor. Because the moderator cannot always know just how many times one speaks, he will depend upon the recording secretary to keep him informed.

6. Agenda

a. The printed *Agenda* that was made available at least thirty days prior to the opening of the International General Council is the "official agenda which is to claim the attention of the International General Council." (*Minutes* page 67, S4. III International General Council Agenda.) There is no need for a motion to adopt/receive the agenda, since it is by our rules of procedure already adopted. The agenda is also available electronically at www.GA24.org.

b. The *Bylaws* require that "Any new business shall be presented to the chairman of the Motions Committee, which committee shall receive, classify, clarify, eliminate duplication, and dispatch for placement on the agenda *following the completion of the printed agenda.*" (*Minutes,* page 62, S2. Bylaws, Article VI, 2. International General Council, Agenda, paragraph 4.)

Note: Any new business presented to the motions committee shall be presented in a legible format (print or digital) not later than **2 p.m. of the second day of the International General Council**. (78th A., 2022).

c. Please note in your *Agenda* that material from the current *Minutes* is on the left side (even-numbered) pages and new motions are on the right side (odd-numbered) pages.

9. Electronic Voting Instructions

a. Voting for all positions will be by a wireless keypad. Members will not be sharing a keypad. Keypads will be available following the call-to-order by the moderator. All keypads will be sanitized once they are returned.

1. Prior to each vote all ministers must validate themselves. At the instruction of the moderator, key in your five-digit personal ministerial file number, verify its accuracy. If inaccurate, press the delete key and reenter. If accurate, press the SEND key. Keypad will display "sending" and "received." If you wish to abstain, simply do not vote.
2. If your keypad is not working properly, return it to the kiosk for replacement or raise your hand and a member of the Teller Committee will assist you.
3. Keypads are not to be taken from voting floor, even if just for a brief time.

b. Ordained bishops should prepare the voting worksheet for the Council of Eighteen in advance to help expedite the voting process.

c. The following situations will be counted as invalid votes:
1. If a minister votes for an ineligible member.
2. If a minister enters an invalid ministerial file number.
3. When voting, a vote for self or any other member, more than once on the same ballot will be invalid. Only the first vote will be valid. A member can choose to vote for a partial number of 18 (e.g., 6 of 18). If so, the remaining non-votes are ignored and not counted as invalid.
4. In order for any minister to be considered eligible for election or appointment by the International Executive Committee, International General Council, or International General Assembly, the minister must be current on both personal ministerial reports and the local church reports with required finances from the church he/she pastors (if applicable). *(Minutes, Page 112, S29. Voting Instructions and Procedures

1. Prior to the vote, each member, as directed by the moderator, will be instructed to enter their personal five-digit ministerial file number to validate their vote.

2. Members will NOT be sharing a keypad. The keypads will be available following the call-to-order by the moderator. Keypads will be sanitized after they are returned.

3. If you wish to abstain, simply do not vote.

Voting Instructions and Procedures

VOTING PROCEDURE

Each vote will begin with voter validation.

Step One—Voter Validation: When instructed by the moderator, key in your personal five-digit ministerial file number and visually verify its accuracy. If inaccurate, press the delete key until deleted and re-enter your ministerial file number. If accurate, press the SEND key. Keypad will display "Sending" and then "Received". Voter validation is complete.

Step Two—Voting Procedure: At the instruction of the moderator, key in the five-digit ministerial file number of the person for whom you are voting, and visually verify its accuracy. If it is incorrect, press the delete key and re-enter the correct file number. If accurate, press the SEND key to confirm your vote. Keypad will display "Sending" and then "Received." This completes the vote.

If you feel that your keypad is not working properly, bring it to the electronic voting station at the front of the room where you can secure a replacement, or raise your hand and a member of the committee will assist you.

INVALID VOTES

The following situations will be counted as invalid votes:

1. If a minister votes for an ineligible member.

2. If a minister enters an invalid ministerial file number.

3. When voting for the Council of Eighteen: a vote for self or a member more than once on the same ballot will be invalid except the first valid vote. A member can choose to vote for a partial number of 18 (e.g., 6 of 18); the remaining non-votes are ignored and not counted as invalid.

Parliamentary Practices

July 8-12, 2024
Indianapolis, Indiana

FINISH COMMITMENT
Harvest **NOW**

Church of God 79th International
general assembly

Introduction

Parliamentary law is not intended to repress the work of an assembly. It is meant to provide orderly principles by which business may be expedited. Where there are no principles of law and where every individual is allowed to act in his own way, confusion prevails.

Perhaps the most important principle of parliamentary law is that of rights: the right of the majority to ultimately rule, the right of the minority to be heard, and the right of the individual to participate in the decision-making process.

It is hoped that the information included on the following pages will be helpful in expediting the business of the International General Council and the International General Assembly. The material has been adapted from several sources and is in agreement with *Roberts Rules of Order Newly Revised 12th Edition*, published by PublicAffairs, a member of the Perseus Books, LLC, a subsidiary of Hatchette Book Group, Inc.

The information included in this section is certainly not exhaustive. Delegates are encouraged to study *Roberts Rules of Order Newly Revised 12th Edition.* A more thorough knowledge of the rules by which our business is conducted will surely make for smoother and more productive business meetings.

Definitions

Chair
>
> The presiding officer or the position from which that person presides. The general overseer serves as the presiding officer and should be addressed as MR. CHAIRMAN or MR. MODERATOR.

Parliamentarian
>
> The person designated to advise the chair on points of parliamentary law and also to give similar advice to the assembly when requested. The parliamentarian gives an opinion; the chair makes a ruling.

Floor
>
> The position of persons other than the chairman and his associates. When a member "has the floor," he has the opportunity to exercise his speaking rights and should be given appropriate attention.

Meeting
>
> A single official gathering of the body to conduct business.

Session
>
> A series of connected meetings devoted to a single agenda.

Member
>
> A person with the right to full participation.

Motion
>
> A formal proposal by a member in a meeting that the assembly take certain action. Question is synonym for motion.

Pending
>
> Being processed by chair.

Procedure
>
> Priority or rank, applied to motions.

Table
>
> To "lay on the table" means entrusting the case to the secretary. To lay on the table permits the assembly to set an issue aside in order to consider a more urgent issue.

Obtaining the Floor

Before a member attempts to make a motion or to address a meeting, he should be recognized by the chair. With our present system of speaker recognition, a member is required to go to a numbered light and touch the desired option on the screen. The members are recognized by the chair in the order in which they activate the light. A member does not have the floor until recognized by the chair. Thus, if the subject on the floor changes, a new order will be established to recognize those members wishing to speak to the current subject.

A member wishing to get the chair's attention for the following reasons need not go to a speaker's light but may obtain recognition by audibly calling for the attention of the chair with

- Question of privilege
- Point of order
- Parliamentary inquiry
- Appeal from the decision of the chair
- Division of the house

Each member has the right to speak on every question. However, he cannot make a second speech on the same question as long as any member who has not spoken on the question desires the floor. It is the prerogative of the moderator to recognize each speaker and to determine a balance of negative and affirmative speeches. (*General Assembly Minutes*, 2018, p.61, Parliamentary Procedure).

Assigning the Floor

A member does not obtain the floor by rising and addressing the chair, nor by proceeding to a speaker's microphone and turning on a light. The floor must be assigned to him by the chair before he is privileged to speak.

Interrupting a Speaker

A member who has been assigned the floor should not be interrupted after he has begun to speak, unless the immediate need is of such urgency to justify the interruption.

A member who has been assigned the floor should be interrupted only by one who wishes

- To make a motion to reconsider (And this only if the time limit on the motion is about to run out. The motion must be made and accepted within 24 hours. It may not be considered after 24 hours.)
- To rise to a point of order
- To voice an objection to the consideration of a question (This must occur before there has been any debate or before any subsidiary motion has been stated by the chair.)
- To call for the orders of the day in case they are not being followed
- To raise a question of privilege
- To request a division of the question when the question consists of more than one independent resolution
- To make a parliamentary inquiry
- To request information that requires an immediate answer.

Making a Motion/Amendment

In making a motion (this includes any substitute motion), a member first obtains the floor and prefaces the statement of the proposed action by the words "I move that . . ." The motion should be written on the *Motion/Amendment Submission Form* included in your manual and given to the Motions Committee which is located on the main floor. The Motions Committee will have additional copies of the *Motion/ Amendment Submission Form*, if they are needed.

Seconding a Motion

In general, every motion must be seconded before it is discussed or voted upon. A member wishing to second a motion simply says, "I second the motion." Recognition by the chair is not necessary in

order to second a motion, and a second may be made without the member rising. Motions that come from a committee are considered already offered and seconded.

Debate or Discussion of the Question

In all debate and discussion, the following principles should prevail:

1. Speakers should avoid all references to specific personalities.
2. The motives of those whose views are opposed should not be questioned.
3. Discussion should be aimed at clarifying the facts rather than at challenging the views of those on the opposite side of the question.

Voting on the Question

In calling for the vote, the affirmative vote is called for first. If the chair is in doubt after calling for a *vote by voice*, he will ask for a show of hands or a standing vote. If a member questions the vote, he has a right to call for "a division of the house." Division of the house does not demand a counting of the votes. If a member wishes to have the votes counted, he must make a motion (which must be seconded) to that effect.

Kinds of Motions

Main Motions

Main motions are those which bring some main question before the group. A main motion yields to all subsidiary, privileged, and incidental motions.

Subsidiary Motions

A subsidiary motion is applied to a pending motion as a means of disposing of the pending one. All subsidiary motions take precedence over the main motion. By means of subsidiary motions, the main motion may be amended, or referred to a committee, or action postponed or hastened.

The subsidiary motions in order of precedence are:

- To lay on the table
- To call for the previous question
- To limit or extend the time of debate
- To postpone to a certain time
- To commit or refer
- To amend (can be applied to 3, 4, and 5)
- To postpone indefinitely (cannot be amended).

To Lay on the Table

The effect of this motion is to postpone action on the question to which it applies. This motion should be used primarily to enable the group to consider more urgent business, and should not be used as a means of suppressing a question without debate. Parliamentary law allows that only a two-thirds vote can rightfully suppress a main motion without allowing free debate.

To Call for the Previous Question

The object of this motion is to bring to an end the debate on the question or questions included in the call, and to secure a vote on the question(s). The previous question requires a two-thirds vote. If the motion does not specify otherwise, it applies only to the immediately pending question. The call for previous question should come from a member who has turned on a light and been recognized by the chair.

To Limit or Extend Time of Debate

Since certain rights are being taken away from the members, adoption of these motions requires a two-thirds vote. Motions to limit or extend time of debate are not debatable but may be amended (see note above).

To Postpone to a Certain Time

The motion is similar to "Lay on the Table." It differs in that it postpones action to an established time and is debatable.

To Commit or Refer

A motion to commit or refer is debatable, can be amended, and requires a majority vote.

To Amend

The motion to amend—that is, to change the words of a pending motion—requires a second and is debatable if the motion to be amended is debatable. Amendments of the first degree and the second degree are permitted. Amendments of the third degree are not. An amendment must be germane (that is, closely related) to the motion to be amended. If not, it will be ruled out of order by the chair. A substitute motion is an amendment of the first degree.

To Postpone Indefinitely

The real object of this motion is to reject the motion to which it is applied. It is debatable and opens the main question to debate. It requires a majority vote for adoption.

Incidental Motions

Incidental motions arise out of the process of business (a pending question), and as a result they must be decided before a decision can be made on the question to which they are incidental.

Incidental questions that will be briefly discussed are:

1. To rise to a point of order
2. To appeal from the decision of the chair
3. To suspend the rules
4. To object to the consideration of a question
5. To divide a question
6. To call for a division of the assembly
7. To make a request growing out of pending business
   a. To make a parliamentary inquiry
   b. To request information
   c. To ask permission to withdraw a motion.

To Rise to a Point of Order

While it is the duty of the chair to enforce the rules of the assembly, any member has the right to call to the attention of the chair any violation which occurs.

To Appeal From the Decision of the Chair

An appeal may be made from the decision of the chair only at the time the ruling is made. A majority vote is necessary before a decision of the chair can be reversed.

To Suspend the Rules

The rule or rules which interfere with the action which the assembly wishes to take may be suspended, provided they do not conflict with basic parliamentary law or with General Assembly Bylaws. Constitution and bylaws cannot be suspended.

To Object to the Consideration of a Question

The purpose of this motion is to present consideration of certain questions which the assembly may feel are not worthy of consideration. It requires no second, cannot be debated, cannot be amended, and requires a two-thirds vote. It must be proposed before debate and/or before the chair has stated any subsidiary motion.

To Divide a Question

This motion can be applied only to main motions and amendments. Parts of a question that are intimately related should not be divided.

To Call for a Division of the Assembly

The purpose for calling for the division of the assembly is to secure an accurate count of the vote, especially when the vote has been taken viva voce. This motion does not provide for a count. It provides for a standing vote. A counting of the vote must be called for by a motion to that effect.

To Make a Request Growing Out of the Business of the Assembly

This can occur during a business session when a member rises to the floor in order to:

a.   *Make a Parliamentary Inquiry*. This privilege should not be abused and will be prevented by the chair when such requests are made for any reason other than an honest attempt to secure information that is immediately needed.

b.   *Request Information*. This request has the same privileges as a request for parliamentary inquiry. The primary difference is that the member may be seeking information from another member of the assembly rather than from the chair.

c.   *Ask Permission to Withdraw a Motion*. After a question has been stated by the chair, it is in the possession of the group and cannot be withdrawn or modified without the approval of the assembly. However, until a motion has been stated by the chair, the proposer of the motion can withdraw or modify it in any way he desires.

Summary of Facts Relating to Motions

Kind of Motion	Object	Effect
To lay on the table	Clear the floor for more urgent business	Delays action
To call for the previous question	Secure immediate vote on pending question	Ends debate
To limit or extend time of debate	Provides more or less time for discussion	Shortens or lengthens discussion period
To postpone definitely to a certain time	Often gives more time for informal discussion and for securing supporters	Delays action
To commit or refer	To enable more careful consideration to be given	Delays action
To amend	To improve the motion	Changes the original motion
To postpone indefinitely	To prevent a vote on the question	Suppresses the question
To raise a point of order	To call attention to violation of rules	Keeps the assembly functioning according to established rules
